C. Policy Instrument addressed

The Action Plan has already impacted:

- ✓ Investment for Growth and Jobs programme
"Competitiveness and Sustainable Development" (2014-2020).
- ✓ Nicosia's Sustainable Urban Mobility Plan (SUMP)

The main relevant features of Nicosia's Operational Programme (NOP)-"Jobs and Growth Program" are:

Objective 04: Supporting the shift towards a low carbon economy in all sectors

Objective 06: Preserving and protecting the environment and promoting resource efficiency

Objective 07: Promoting sustainable transport and removing bottlenecks in key network infrastructures

ACTION PLAN

ACTION 1 (Pilot Action)

- Travel Behaviour Stated Preference Survey
- City of Prague, CZ (*travel surveys*)
- Devon/Exeter, UK (*Strategic Transport Plan*)

ACTION 2 (Action Plan)

- Update of Nicosia's Integrated Mobility Master Plan (SUMP 2.0 with SECAP)
- Municipal Enterprise 'Susisiekimo paslaugos', Vilnius, LT (*Guidelines for development and implementation of Sustainable Urban Mobility Plans in Lithuania*)

ACTION 3 (Action Plan)

- Design and build intelligent bus stop shelters
- City of Prague, CZ (*travel surveys – intelligent bus stops*)
- Devon/Exeter, UK (*Study Tour*)

ACTION 1

Travel Behaviour Stated Preference Survey (PILOT ACTION)

AIM: The implementation of a Stated Preference Survey for the future extension of Mini Buses routes in Nicosia's Old City and Commercial center

* The data collection procession just started and the samples are oriented to inhabitants and tourists (limited due to the circumstances)

The Action had to be amended due to the restrictions of COVID-19 and its effect in tourism.

New documents were prepared. The questionnaires were finalised and the survey started.

! Target to finalize it by middle of May 2021

Action 1 GOALS

- Recording residents' travel behaviour and preferences for the first time – Understanding of mobility patterns
- Development of mobility features database
- Contribution to the SUMP by providing input
- Increase staff capacity regarding travel surveys (methodology and data processing)

ACTION 2

Update of Nicosia's Integrated Mobility Master Plan (SUMP 2.0 with SECAP)

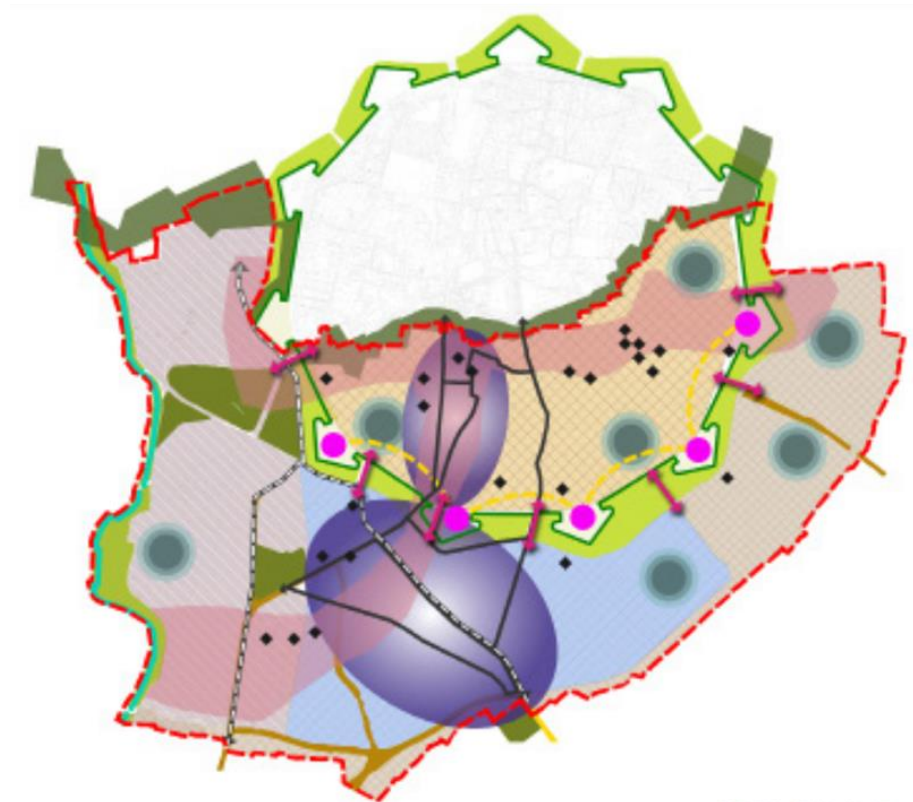

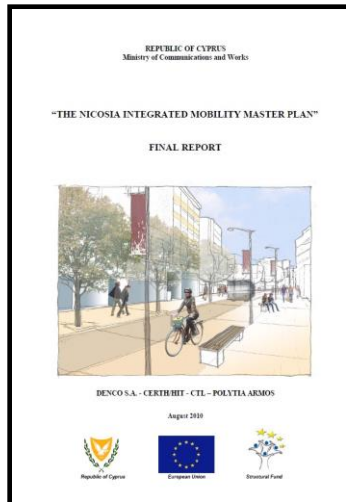

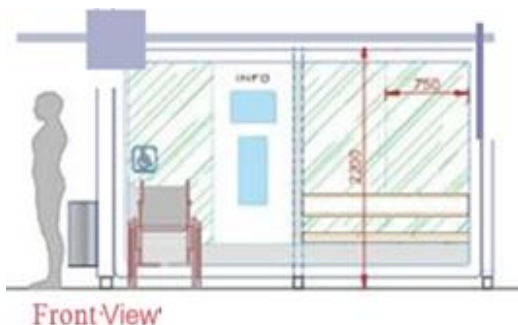

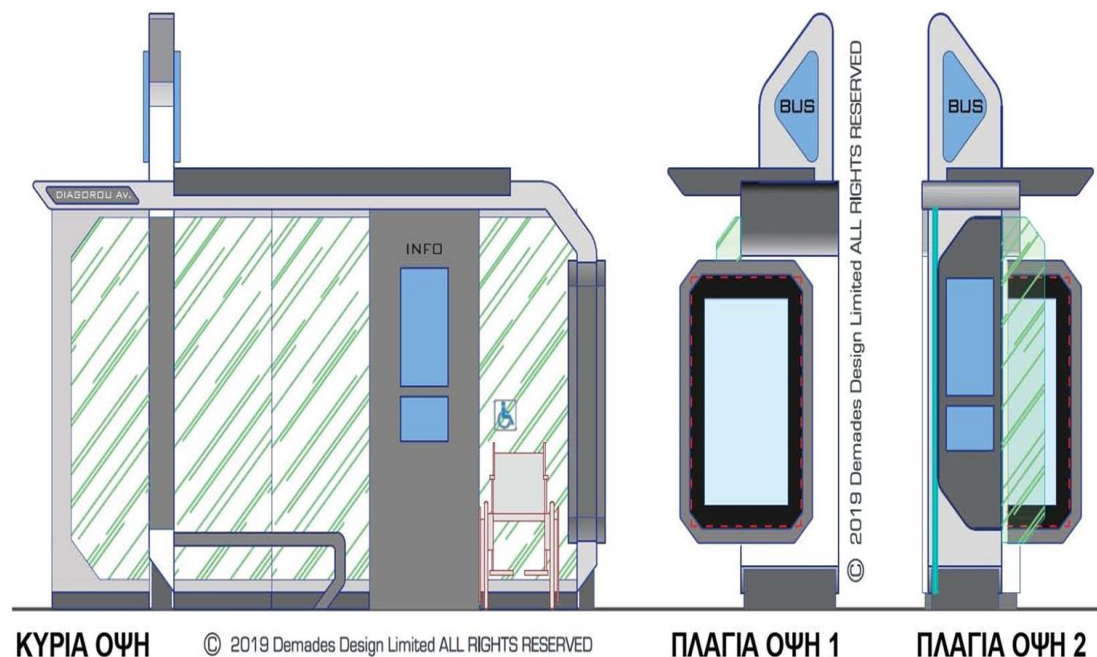

Figure: Nicosia Area Plan [Nicosia Municipality]

Action 2 RESULTS

- **Completion of the specifications and tender documents for SUMP 2.0**
- Integration of InnovaSUMP innovations and enhancements in SUMP 2.0
- Harmonisation with SECAP (Action 4)
- Improvement of Municipality's Master Plan

ACTION 3:

Design and Build Intelligent bus stop shelters

Action 3 RESULTS

- Signed a Memorandum of Understanding with the Ministry of Transport for financing the action
- Finalised the bus stop shelters specifications with the Ministry of Transport
- **Expecting the procurement by the end of April t**
