15 March, 2019 | Water, landscape and citizenship in the face of global change, Seville

---

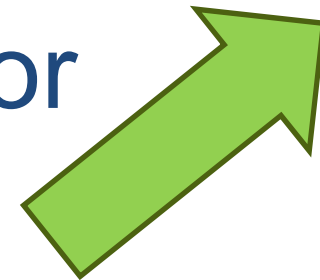

# Rationale

Decline of traditional  
maritime economic activities

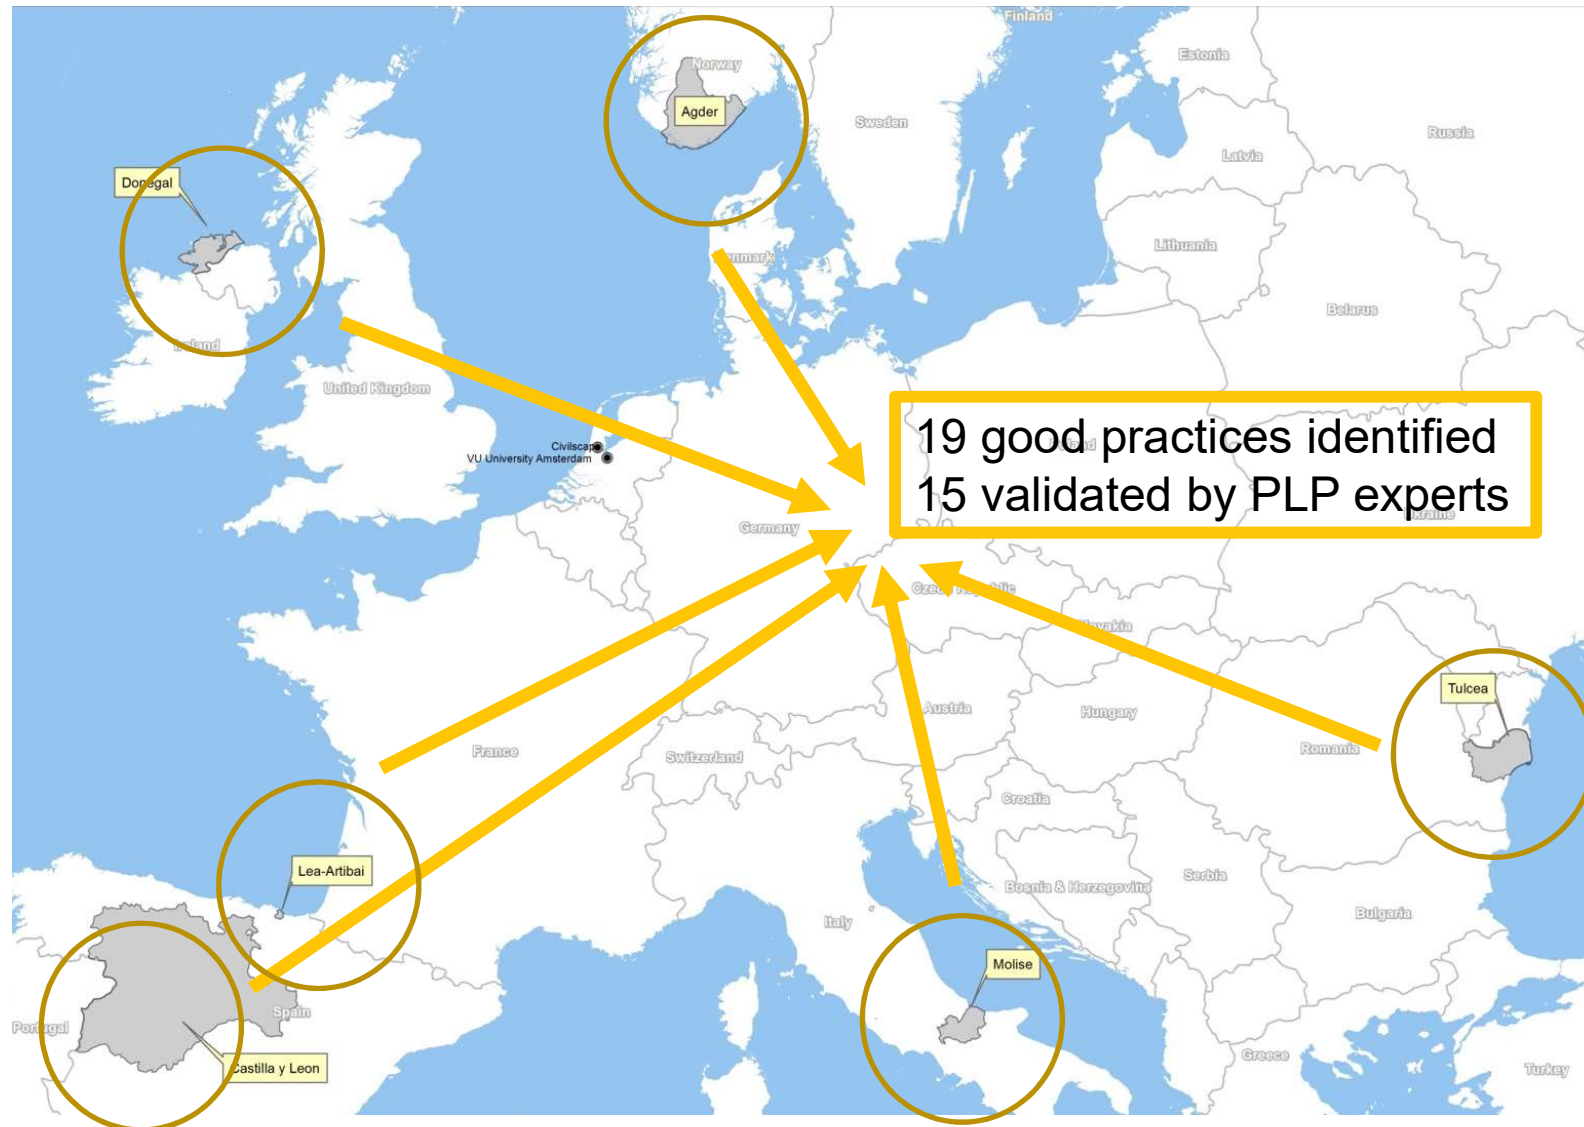

Increased use of the coast for  
recreational purposes

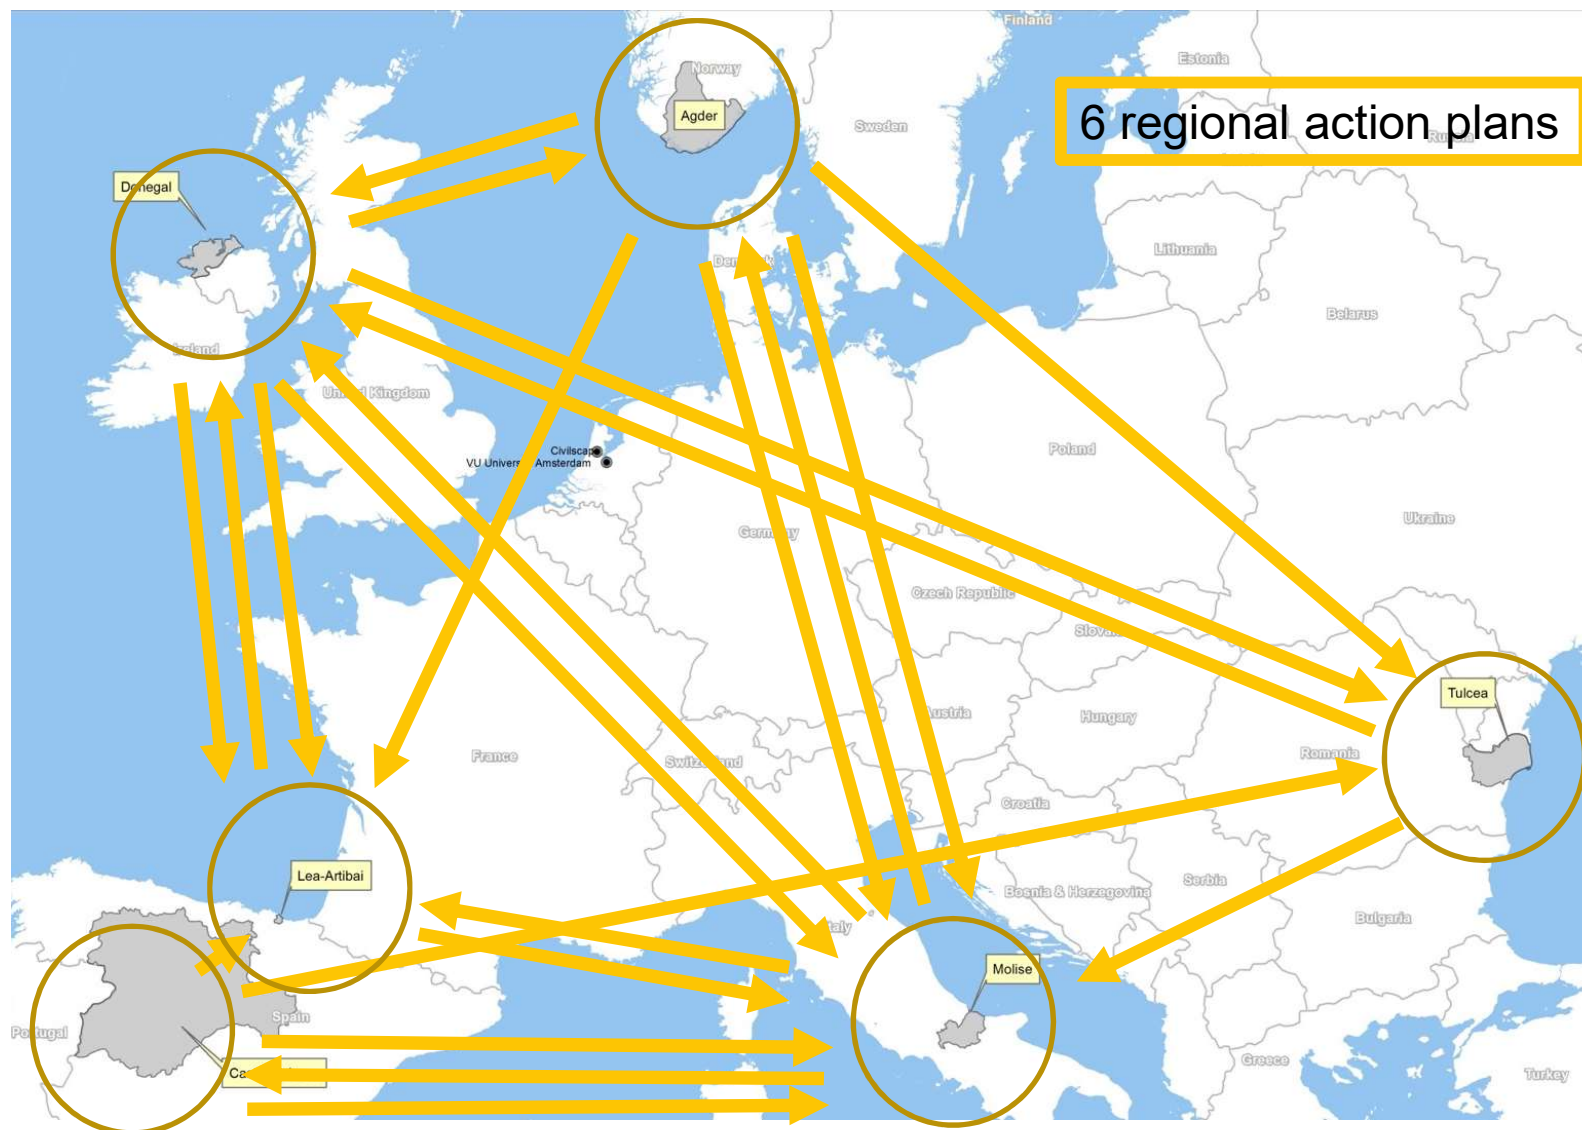

# 1st key output

# 2nd key output

# 3rd key output

# Lessons learned

## 3 key types of policies forming landscape development in peripheral coastal and river regions

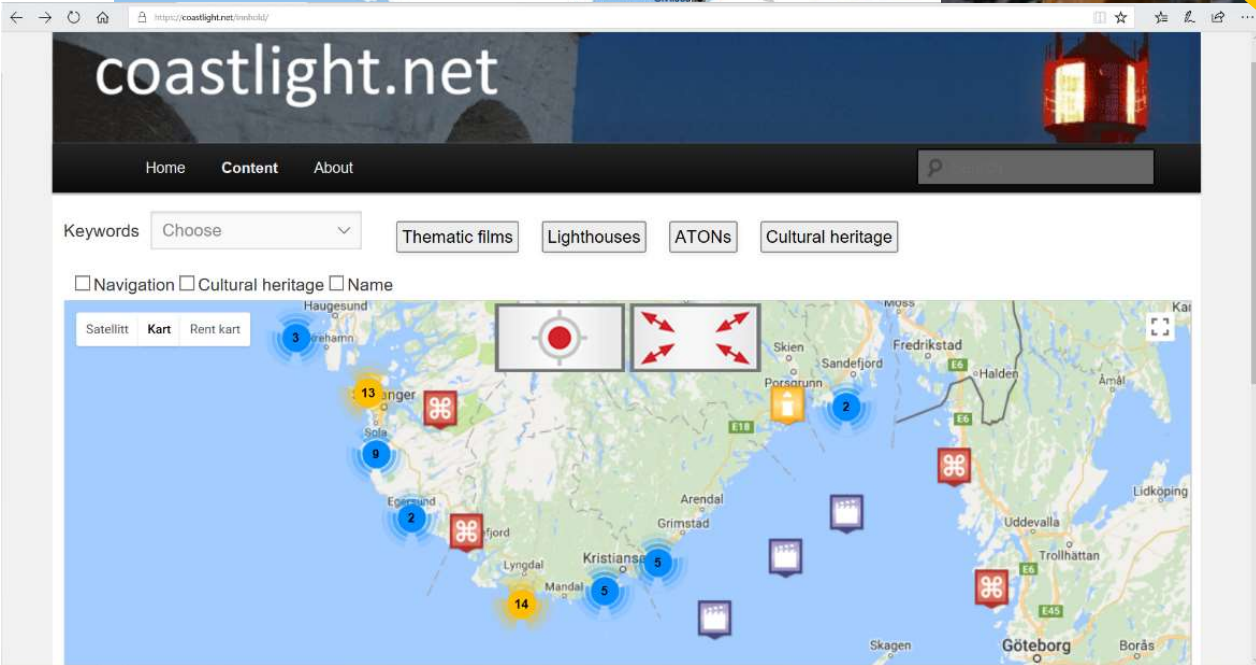

- **Heritage management**
- **Nature preservation**
- **Coastal tourism**

# Lessons learned

3 key types of policies forming landscape development in peripheral coastal and river regions

- **Heritage management** → *revitalise historic interconnectnedness*
- Nature preservation
- Coastal tourism

# Heritage management

# Lessons learned

3 key types of policies forming landscape development in peripheral coastal and river regions

- Heritage management → revitalise historic interconnectedness'
- Nature preservation → safeguard environment & securing common access
- Coastal tourism

# Nature preservation
