What about the future?

- May 2018: Interreg Europe not present in the EC draft regulations
- May 2019: EP and Council asked for Interreg Europe to be back
- December 2019: start of the programming process
More information: www.interregeurope.eu/about-us/2021-2027
- To be continued.... (finalisation of regulation, budget decision)

No revolution...but evolution

Key features remain:

1. Pan-European
2. Similar overall objective
 - Regional development policy makers as core target groups
3. Similar means to achieve the objective
 - Main focus on capacity building

Proposals:

1. Focus on Structural Funds lightened
2. Learning by doing: pilot actions
3. Only one single priority in the programme : capacity building.
Enlarge thematic scope of the programme.
