

Dear readers, welcome to the seventh “InnoBridge” project Newsletter!

InnoBridge 1st Phase has come to an end at 31st March 2019. All Action Plans produced by project partners have successfully been approved by the Interreg EUROPE organs, so that the 2nd Phase is dedicated to the implementation of these Action Plans.

In this Newsletter our aim is to present an overview of some of the Action Plans that are running at present: West Transdanubian Region (Hungary), Alentejo Region (Portugal), Sofia Fund for Innovations (Bulgaria) and Małopolska (Poland). Our next Newsletter will be devoted to the rest: Castilla y León (Spain), Autonomous Province Bolzano (Italy), Lower Austria (Austria) and Council of Tampere Region (Finland).
