## **1. Introduction on the local process of presenting and discussing the Policy Recommendation (PRs) and the Pilot Actions (LPAs) implemented in the region**

## **2. How were the PRs presented? In which form (workshops, roundtables, seminars, etc)?**

- Since we are living and working on a pandemic situation we were obliged to organize a zoom meeting(webinar) to present LPA by our ex.ex and the Policy recommendation translated in local language

## **3. Who did participate and how? (List and description of speakers, relators, participants and their contribution and involvement)**

- 20 persons participated at this event, shharing their ideas and opinions. During this event Albanian Partners and external expertise of the project presented : LPA. Session Acquisition and Transformation phd. Mirela Koci & phd Blenard Xhaferraj (on Behalf of CCIT); Local Pilot Action Albania-Design phd. Nevila Xhindi on behalf of (MUa) , Experience and lessons learned” & Policy Reccomandation” Aris Tasho (on behalf of CCIT)

## **4. Results of the discussion about the presented PRs (list of feedbacks, comments and suggestions collected from the participants)**

- Since Future 4.0 was a difficult but a great project for Albania and all PPs have a great collaboration with each other CCIT as PP8 would suggest to keep contacts and to take into consideration a collaboration, or a next project between each other.

## **5. Final remarks and considerations, especially with regard to the link emerged between the project outcomes at local level and the EUSAIR Strategy Pillar 1 - Blue Growth**

- We are interested in collaborations for future projects.
- We can give our contribution keeping and increasing the relationships among the network;
