T01 Business and SME development

Extending, strengthening the network and smart marketing of Via Hanseatica

“Via Hanseatica Plus” ER48

SUMMARY OF THE PROJECT

The Project will focus on enhanced development of tourism and tourism SMEs along the expanded Via Hanseatica (VH) route due to smart marketing of Via Hanseatica and strong network of Via Hanseatica entrepreneurs.

The project will provide needed changes in the current situation of expanded VH route in cooperation with VH entrepreneurs and tourism developers.

VH route from St. Petersburg to Riga will be expanded with detours to Vyborg (RUS), Rakvere (EE), Viljandi (EE) and Pskov (RUS).

The project within the course of 24 months will extend the VH route by adding four new destinations and improved cross-border cooperation of public and private sector from project area, form reinforced network of VH entrepreneurs and other stakeholders.
