Our Edge?

A photograph of three young adults smiling at the camera. On the left, a woman with long brown hair wears a black patterned top and holds two white shopping bags. In the center, a man with short brown hair wears a grey t-shirt and holds a large grey shopping bag. On the right, a woman with long brown hair wears a white tank top and holds a colorful 'Happy Birthday' card. The background is a blurred outdoor setting with green foliage and other people.

Our Edge?

We really care!

”

Our idea got verified very fast - we got incredible support from ReaktorX team and other startups in the program.

”

ReaktorX gave us a chance to develop our pitching skills and then use them in front of interesting and important people.
