International Startup Pass

The Host welcomes you worldwide

The Host, International Startup Pass, is a digital card that allows their users to access free office spaces, events and other benefits of partners worldwide.

The Host is an initiative powered by Startup Lisboa to promote the circulation of startups and facilitate their access to the entrepreneurial ecosystem.

Each startup will be provided with a digital card, with an ID number, to easy-carry and travel.

International Startup Pass

Who can benefit?

Only startups incubated at The Host Partners may apply and benefit from the The Host card.

The Host card will be issued by each The Host Partner.

What are the benefits?

The Host Partners will provide a minimum of 3 places at their facilities, according to their availability of the space during the startups' visit, which should not exceed 14 days in one modality.

Furthermore, during the startups' visit, they will have free access to Wi-Fi, meeting rooms, and to Partner's workshop & events, except exclusive or restricted access events.

All benefits will apply to everyone in The Host cardholder group, although The Host Partner may impose a limit per The Host Card.

The Host Cardholder shall have access to partner's special conditions of accommodation or residence, in case there are any, subject to availability.
