# SPEED UP

## Interreg Europe

SPEED UP will trigger policy change  
in the partners' regions  
by supporting capacity  
building and policy learning  
on entrepreneurship and  
business incubation.

## WHAT CAN SPEED UP DO FOR CITIES?

SPEED UP will provide **support** to business creation, **development** and **growth**, helping partners locally to develop innovation ecosystems, improve their policies showcasing and transferring successful investments made by cities.

## GOALS

- **Improve services** provided by business incubators and ensure their financial sustainability
- **Deepen the cooperation** among public authorities, business sector, universities and R&D institutions
- **Enable support** to specific target groups, like young people, migrants or female entrepreneurs
- **Develop performance monitoring** systems of incubators on hosted startups.

## ACTIONS

- **Exchange of experiences** on the ways partners support their business incubators
- **Benchmarking** of **experiences** against those of their peers
- **Learning about what works** and what doesn't in different contexts
- **Developing action plans** to put into action lessons learnt.
