

*finMED*

*Boosting the financing of innovation for green growth sectors through  
innovative clusters services in the MED area*

## **DELIVERABLE 6.5.2**

### **finMED Network Collaboration Protocol**

**Delivery date:** January 2022

**Partner in charge:** IVACE

**Partners involved:** ALL

**Status:** Final

## *finMED*

### *Collaboration Protocol*

The finMED main objective is to boost the financing of innovation in green growth sectors through improved delivery of policies and strategies and the introduction of innovative cluster services in the MED area.

With the idea that the objectives achieved in the project can last over time, and serve the target companies and the clusters that group them, as well as the definition and application of regional policies by public actors,

### *finMED PROJECT PARTNERS AGREE*

1. Continue collaboration between partners to. achieve long-term fulfillment of the project objectives: green growth and sustainable innovation in SMEs.
2. Maintain as Domains of cooperation of finMED network those chosen by the project partners:
  - a. EU taxonomy of environmental activities and public funding and ESG criteria
  - b. Green Public Procurement
  - c. Learning from MASDE
  - d. Financing social innovation and impact investing
3. Each of these Domains will be the responsibility of a project partner, who will promote joint activities and projects along these lines.
  - a. Regione Piemonte
  - b. CTA
  - c. IVACE
  - d. CERTH

4. The partners responsible for each of the Domains has just or will present to all the partners a detailed proposal to define a project on the specified subject, which will be presented to a call for the European Union in 2022.
5. Regione Piemonte, in the last quarter of this year, will convene the partners of finMED to a joint meeting to evaluate the application of this Manifesto and see the opportunity to maintain and extend it, as well as the ways for its improvement and effectiveness.

Agreed online, on January 14<sup>th</sup> 2022.
