LAST STEERING COMMITTEE MEETING AND FINAL CONFERENCE IN TRABIA

Back to where it all started! On July 8th and 9th the last Steering Committee Meeting and Final Conference were held in Trabia, with the participation of Project Partners as well as of representatives of other projects and organisations that gave their valuable contribution.

INTERACT STUDY VISIT IN TRABIA

The INTERACT Study Visit that took place on May 13th in Trabia proved to be a fruitful and successful experience for all participants! The afternoon started at the local Municipality of Trabia for a press conference and the signature of a Memorandum of Understanding for the constitution of a local Fishing Tourism Consortium. We then proceeded with a short trip on board of our boats and we topped off the day with a Sicilian Aperitivo!

LOCAL PROMOTIONAL EVENTS

Several promotional events have been organised on local and regional level in the partner Countries. Enjoy the photos!

EXCHANGING EXPERIENCES ACROSS BORDERS: OUR STUDY VISITS

STUDY VISIT IN PUGLIA, ITALY

On November 8th and 9th 2018, a Spanish delegation got the chance to roam around Puglia, in the towns of Monopoli, Savelletri and Mola di Bari.

A great synergic effort and dynamic work were carried out by local fishermen, delegation members and project staff. The highlights of the experience included a fishing trip along the beautiful coast of Puglia, a visit to the most characteristic sites of the area and of course lots of good food!

STUDY VISIT IN VALENCIA, SPAIN

On Nov. 15th and 16th, six fishermen from Trabia, Sicily, had the chance to participate to a Study Visit in Valencia, Spain. The

fishermen, together with the mayor of Trabia Mr. Leonardo Ortolano, had the opportunity to get into contact with the local traditions and fishing methods of the Valencian area.

STUDY VISIT IN RAFINA, GREECE

On February 25th-28th, 2019, a delegation of Greek participants, composed of two fishermen, one restaurant owner and a project

partner representative, took part to a Study Visit in Corsica.

STUDY VISIT IN CORSICA, FRANCE

On February 25th-28th, 2019, a delegation of Greek participants, composed of two fishermen, one restaurant owner and a project partner representative, took part to a Study Visit in Corsica.

PROMOTING OUR PROJECT THROUGHOUT THE PARTNER COUNTRIES

ATHENS, GREECE: INTERNATIONAL TRAVEL EXPO

On December 8th, 2018, the University of Piraeus promoted TOURSIMED at the Athens International Travel Expo at the Metropolitan Expo.

The visitors had the possibility to experience a virtual tour of Rafina as well as get to know the activities of our project both at local and international level. Thanks to the amazing work and consistent dedication of the group involved in the presentation, the curiosity and

interest of the Expo visitors were completely satisfied and the promotion activity was a success!

NETWORKING EVENT IN PALERMO, SICILY

We've been spreading the word about the great successes of our project in Palermo, Sicily! On March 25th, 2019, our partners PRISM and Promimpresa presented the project in a conjoined local conference and dissemination event.
