What is Rail Smart Pass?

It is the special travel ticket that enables you to discover the whole of Romagna in total freedom.

Passes are **valid for 3 or 7 days** and can be purchased from authorised resellers throughout the region and from the myCicero platform.

What does it offer?

The tickets give the right to use all the routes on the entire Start Romagna Bus network and the freedom to travel on regional trains between stations in Romagna, including:

- > Cattolica- Rimini - Ravenna along the coast
- > Rimini - Faenza - Castelbolognese along the via Emilia
- > Castelbolognese - Lugo - Ravenna
- > Faenza - Russi - Ravenna

Method of Use and Validity

The Rail Smart Pass becomes valid from the moment when it is first validated. Validation is carried out by holding the pass against the special validating machine located on Start Romagna Buses at the beginning of the first trip.

The ticket is valid on the day of validation and for the next two days (**3 day Rail Smart Pass**) or 6 days (**7 day Rail Smart Pass**).

The **Rail Smart Pass** must be validated at the start of every bus ride, even in the case of transfers, and must be shown at the request of service personnel.

The **Rail Smart Pass** is personal and is not transferrable (name and surname are mandatory).

The purchase and use of the pass constitute acceptance of the general rules of transport available on the web-sites www.startromagna.it and www.trenitalia.it. Improper use will result in the imposition of the penalties laid down by law.

Costs
