

2nd International Conference ADAPTtoCLIMATE

24-25 June, 2019, Heraklion, Crete Island, Greece

First Announcement & Call For Papers

Call for papers

The Scientific Committee is pleased to announce that the 2nd International Conference "ADAPTtoCLIMATE" will be held in Hersonisos Municipality in Heraklion, Crete Island, Greece, on 24th & 25th June, 2019.

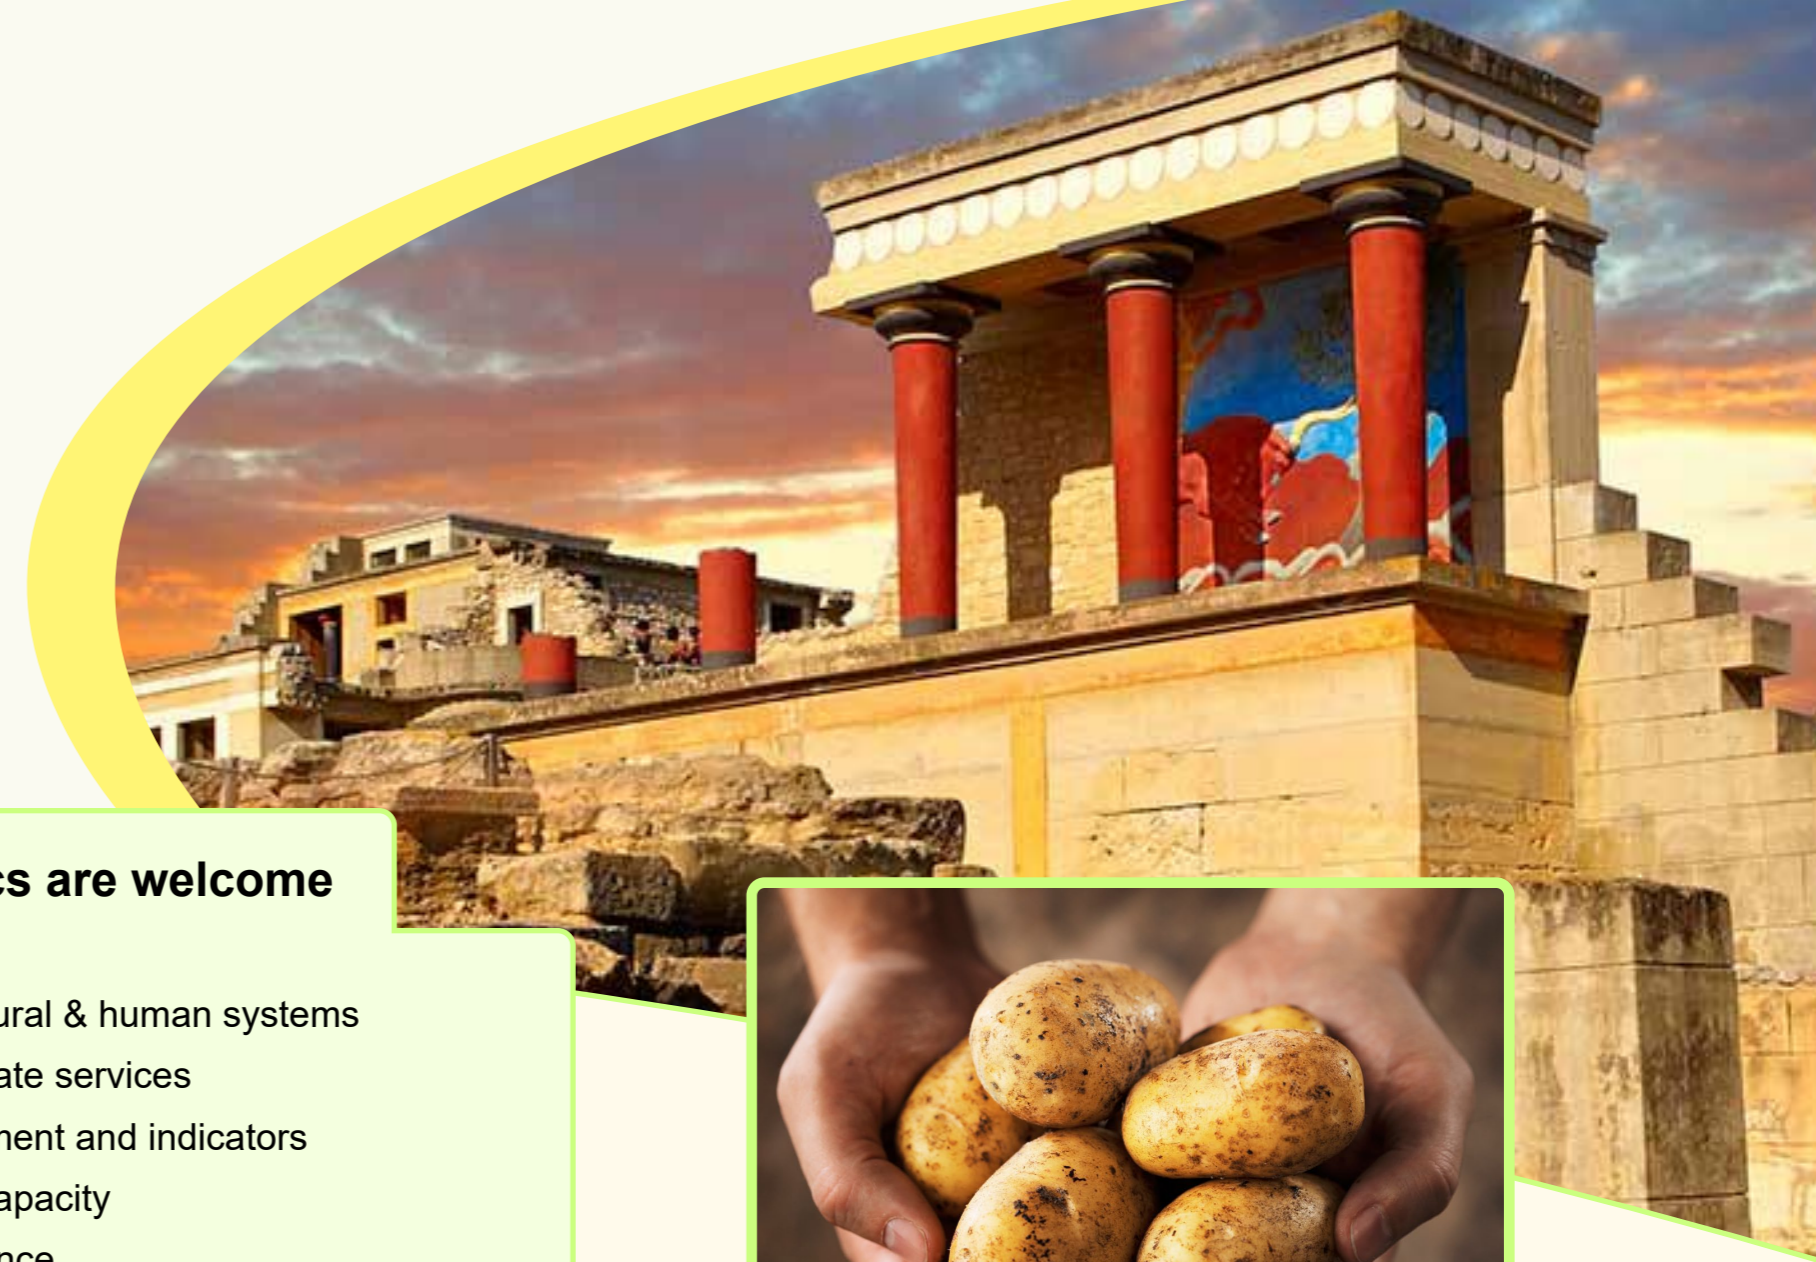

The conference participants will have the opportunity to exchange knowledge, views and ideas on climate change impacts, vulnerabilities and adaptation. The conference will include oral and poster presentation sessions.

Authors wishing to submit a paper should send an Abstract to the Scientific Secretariat by 31st January 2019. The abstracts should be between 300-500 words in English.

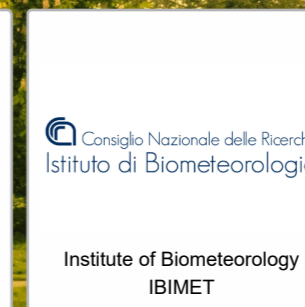

The conference will include invited and reviewed papers on the topics listed below and, preferably, those focusing on the geographical area of Europe, North Africa & Middle East.

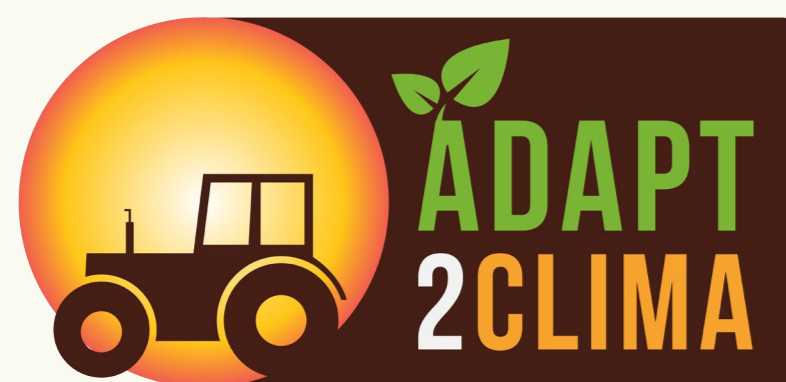

Papers on the following topics are welcome

- Observed & projected impacts in natural & human systems
- Climate change information and climate services
- Climate change vulnerability assessment and indicators
- Mapping vulnerability and adaptive capacity
- Understanding and enhancing resilience
- Monitoring and measuring adaptation
- Limits to adaptation and maladaptation
- Disaster preparedness and emergency planning
- Legal, institutional and financial aspects of adaptation
- Decision-making under uncertainty
- Adaptation strategies and plans
- Decision tools on adaptation
- Mainstreaming climate adaptation
- Adaptation cases studies: organisational, sectoral, regional & national
- Land use planning, adaptation and the built environment

*Adaptation to Climate change Impacts on
the Mediterranean islands' Agriculture*

2nd International Conference ADAPTtoCLIMATE

24-25 June, 2019, Heraklion, Crete Island, Greece

First Announcement & Call For Papers

Call for papers

Abstracts are due **31st January 2019** and should be submitted through the conference website: Notification of acceptance will be sent to authors until 10th March 2019. Authors should submit their full papers until 20th May, 2019. The papers will be reviewed and upon acceptance they will be published as the conference proceedings (CD ROM format).

Registration: There is no registration fee. Advanced registration is strongly recommended.

Conference Language:

For abstracts and papers English is the official language, while for poster presentations both English and Greek can be used.
