IDENTIFIED GAPS - NEEDS FOR TOOLBOX

decision support

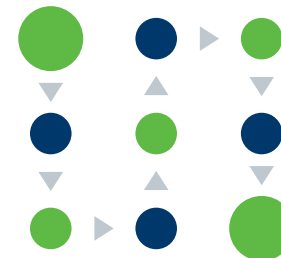

integrated approach

data on climate impacts

multilevel transferability

STAKEHOLDER TRAINING WORKSHOPS

BRIDGING THE GAPS

decision support

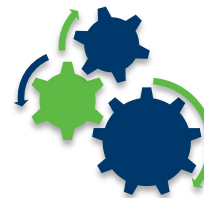

→ guidance on issues and measures

data on climate impacts

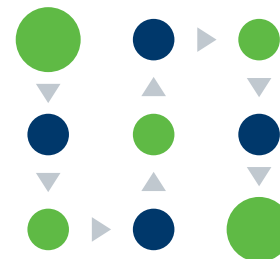

→ climate indicators mapped for CE

integrated approach

→ combining different aspects of problems and solutions

multilevel transferability

→ links to EU and national information

KNOCK-ON EFFECTS

Increase Awareness

Establish Trust

Share Experience

See The Bigger Picture
