Webinar No.1: FINANCING LOW CARBON INVESTMENTS

Budapest | 9 July 2019

**Introduction to Multiannual Programming
Framework of the European Union (2021-2027)**

PROSPECT2030 | AACM Central Europe | Károly Oelberg

CONTENTS

Guiding
principles

Overall
structure

Low-carbon
funding
elements

Horizon Europe

LIFE

Neighbourhood
policy

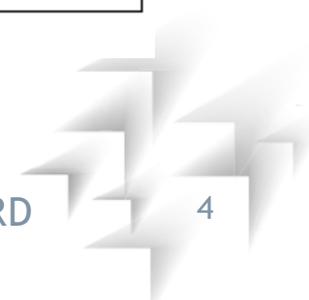

- **Strong focus on European added value** - among others: research and innovation, strengthened emphasis on sustainability including climate mainstreaming
- **Streamlined and more transparent structure of the future budget**
- **Radical reduction** in the number of programmes and the creation of new integrated programmes and synergies between instruments
- **Simplification of funding rules** to reduce red tape for beneficiaries and managing authorities
- **Greater focus on performance and results**
- **More flexible budget** to be able react rapidly in a fast-changing world
