Economics and BSc of Mechanical Engineering (hereinafter: Contracting authority), and the company "Bostjančić" Ltd. Zenica, Juraja Neidharta 5, 72 000 Zenica, (hereinafter: Contractor) represented by Bernard Bostjančić, by this report the Contractor confirms that the obligations which were the subject of this Contract have been completed.

The subject of the Contract implied providing services for the realization of the part of activities from the general Contract number: 19-28-117-164/18 signed on 18th December 2018, Work Package 2, Activity 2.2 – Media Communication and dissemination, Deliverable 2.2.2 – Video, Deliverable 2.2.4 - Final Publication; Activity 2.4 - Communication Events, Deliverable 2.4.1 - Final Conference, budget line "external expert services" of the TEESCHOOLS project for the requirements of the Department of Development and International projects of Zenica – Doboj Canton.

Recording, publishing and distribution of a short video consisting of an interview, where the Department for Development and International Projects of Zenica – Doboj canton had a role of TEESCHOOLS project institutional partner, have been realized. Besides the mentioned, the video also describes the influence of the project activities to the Zenica-Doboj canton in general, as well as future activities through the participation of many actors, including principals of elementary and secondary schools, pupils, teachers, school staff, professors and students from the sphere of energy efficiency, regional level decision makers, journalists and many others.

Also, participation in the design of the Final Publication which contains the main project assumptions, results and vision for energy savings in the MED area was realized, which was subsequently translated and multiplied to a maximum of 100 copies and distributed to local stakeholders and the media. An electronic edition of the said Final Publication has also been made available to the Contracting Authority.
