1. Title of the event:	Collaborative Network event in Split
2. Date:	18/09/18
3. Location:	Split, Croatia
4. Agenda of the event (Please <u>summarize</u> the agenda and main speakers, <u>if not in English and attach</u> the official agenda)	<ul style="list-style-type: none"> • Energy efficiency issues • nZEB renovation of schools in your country • Policy recommendations developed during 2018 • Financial options for nZEB renovation of schools
5. Objectives of the Event: (i.e., networking between project and/or authorities, sensibilization of citizens, dissemination of results, presentation of a project tool at international level....)	The main reason for such events is to strengthen the networking between stakeholders of partnership countries and make them more familiar to project objectives
7. Minutes of the event:	<i>The discussion concerned issues that revealed the level of energy efficiency issues in school buildings of each participated country, which is mainly low. An important issue presented was the available financial options for nZEB renovation of schools (private and public), the importance of which is too high for the energy efficiency level improvement</i>
8. News to be published on Website/social media:	<i>A very interested exchange of know-how took place during the workshop in Split, Croatia a few days ago.</i> <i>The event fulfilled its aims for exchanging information among partners, associated ones and stakeholders on the main findings during the pilot tests. It has to be mentioned that the event success was a result of all participants' contribution and of course Teeschools Croatian</i>

	<p>partners, City of Split and HEP ESCO. The event was attended by more than 35 participants, coming from all partners' countries: Croatia, Bosnia & Herzegovina, France, Cyprus, Greece, Italy, Spain. The meeting was ended up with a video conducted by Communication Lead Partner, EGTC Efxini Poli with Interviews of beneficiaries, in order to express their opinion on application tool presented during the workshop by ENEA and show the benefits of taking part to the seminar for audits procedure.</p>
