7th Primary School Environmental Actions

“Give it a new life”

European Waste Reduction Week (24.11.2017)

7th Primary School

Environmental Actions

**“What is climate change?
Can it destroy the environment?”**
Prof. Apostolos Panagiotou (15.05.2019)

7th Primary School

Environmental Actions

“Two-day environmental visit to the Environmental Education Center of Kastri” (2012-2019)

7th Primary School

Environmental Actions

“Reduce Photocopies- Protect the Environment”

Dear Parents, the teachers' association aiming to reduce paper consumption and send a message to protect the trees and the environment, has decided to limit the essential, print newsletters. School announcements will be given orally to students and will be posted exclusively on our website... (Agia Paraskevi, 06.02.2017)

7th Primary School

Environmental Actions

“Environmental Adoptions”

Our trees are babies that need care and love. Every tree has its own name (A1-25, A2-26... A1 indicates the class and 25 indicates the number of children in each class...)

7th Primary School

Environmental Actions

“Cycling on the streets of Agia Paraskevi” (2012-2019)

Thanks for your attention!
