

M3P Platforma

Materiálová „matchmaking“ Platforma

Online platforma pro katalogizaci a využití průmyslového textilního odpadu.

Tento systém pomáhá k

- **posilování inovačních** kapacit
- **zlepšení udržitelného propojení** mezi textilním průmyslem a dalšími průmyslovými oblastmi
- **podpoře spolupráce** v oblasti nakládání s odpady a cirkulární ekonomiky

Life **M3P**
**Material
Match
Making
Platform**

M3P Platform has been developed thanks to co-funding by the European Life Programme (Life M3P project, LIFE15-ENV_IT_000697)

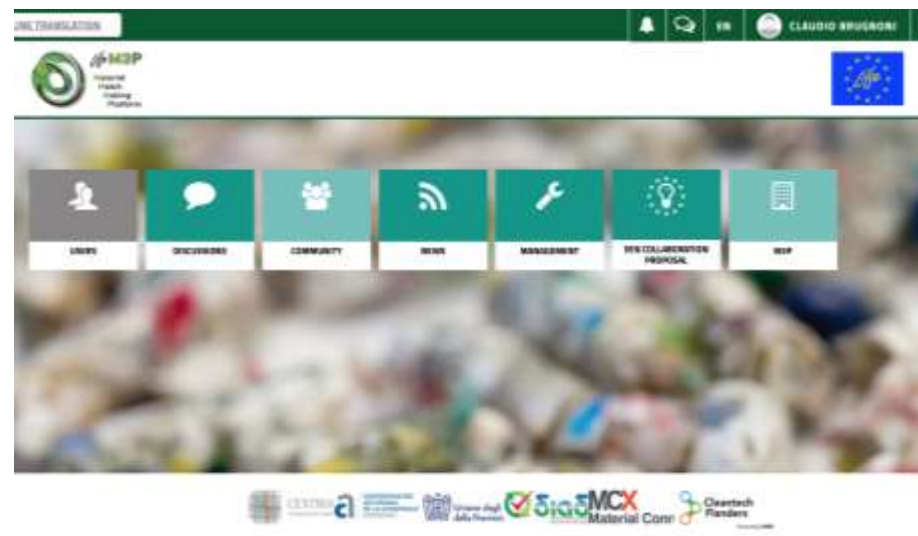

On-line platforma: přehled

On-line platforma je:

- „jednotné kontaktní místo“ pro služby průmyslové spolupráce s meziodvětvovým a mezioborovým rozsahem

Platforma je užitečná k:

- identifikace úspěšných pilotních případů mezi společnostmi nabízejícími odpady a společnostmi, které využijí tyto odpady jako vstupní suroviny
- nové kreativní koncepty pro netradiční využití odpadů

www.lifem3p.eu

Výhody

- Najdete společnosti (i z jiného sektoru), kterým můžete předat/prodat svůj odpad
- Zvýšíte zisk svých produktů
- Snížíte si náklady na likvidaci odpadu a nakládání s ním tím, že s odpadem zacházíte jak s druhotnou surovinou
- Kontrolujete celý řetězec svého produktu
- Respektujete životní prostředí a zapojíte se do sítě společností zaměřených na cirkulární ekonomiku

An
example

Jeden ze 150 kreativních konceptů:
napínák na obuv vyrobený z ozdobných pásků
na obuv.

Nástroj pro průmyslovou spolupráci k nalezení shody mezi nabídkou odpadů a poptávkou po (druhotných) surovinách pomocí 5 jednoduchých kroků

1. Registrace uživatele
2. Registrace vaší firmy
3. Registrace odpadů vaší firmou nabízených
4. Hledání a nalezení odpadů užitečných pro vaši firmu
5. Vytvoření poptávky po nalezeném odpadu

Využití M3P platformy je BEZPLATNÉ

Once logged in you can change the platform language from the top menu.

VSTUP DO VLASTNÍ DATABÁZE

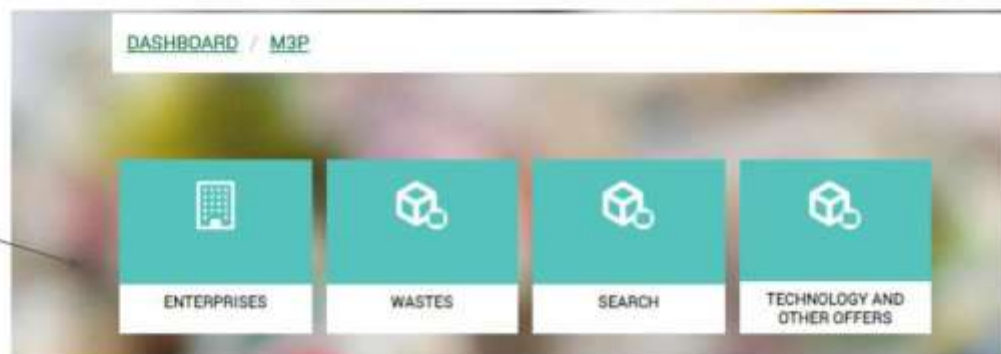

Click on the M3P button to access MP3 modules

Select the module you need from the dashboard

ENTERPRISE MODULE

Selecting 'Enterprise' you will have 3 options:

- 1) Create a new enterprise
- 2) See your enterprise
- 3) See a list of all enterprises

The screenshot shows the 'Enterprises' page in the system. At the top, there is a breadcrumb trail: [DASHBOARD](#) / [M3P](#) / [ENTERPRISES](#). Below this, the title 'Enterprises' is displayed. A prominent green 'ADD' button is visible, which corresponds to option 1. Below the 'ADD' button, there are three tabs: 'ALL ENTERPRISES', 'REQUESTS MANAGEMENT', and 'MY ENTERPRISE'. The 'ALL ENTERPRISES' tab is highlighted with an arrow, corresponding to option 3. The 'MY ENTERPRISE' tab is currently selected. At the bottom of the page, a message states: 'you are not member of any company Ask for membership'.

ZALOŽENÍ NOVÉ SPOLEČNOSTI

ENTERPRISE MODULE

1) ENTERPRISE CREATION

Fill all the required fields with valid data and press the 'CREATE' button. When done the Enterprise will be visible in the Enterprises main list.

Dashboard M3P ENTERPRISES

Create Enterprises

PŘIDÁNÍ REPREZENTANTŮ, POBOČEK

ENTERPRISE MODULE

1) ENTERPRISE CREATION

The second step is to add some Local Units or an Enterprise Representent

ENTERPRISE MODULE

3) ENTERPRISE LIST VIEW

Clicking 'All Enterprise' a non detailed list of all companies in the platform is showed. It is possible to search for a company with a search form.

The screenshot shows a search interface for the Enterprise List View. At the top, there is a green header bar with an 'ADD' button on the left and 'SEARCH' and 'TABLE' buttons on the right. Below the header, there are four search input fields arranged in a 2x2 grid:

- Top-left: 'ID' label above an input field with 'ID' placeholder text.
- Top-right: 'Company name' label above an input field with 'search by name' placeholder text.
- Bottom-left: 'Nace code' label above an input field with 'search by nace code' placeholder text.
- Bottom-right: 'Address' label above an input field with 'search by address' placeholder text.

At the bottom right of the search area, there are 'CANCEL' and 'SEARCH' buttons. Below the search area, there are two tabs: 'ALL ENTERPRISES' (which is selected) and 'MY ENTERPRISE'.

Wastes

ADD

ALL WASTES WASTES CREATED BY ME MY COMPANY WASTES WASTE OF MY INTEREST

Name	E.W.C.	Qty.	unit	Freq.	Company	Project
other wastes (including mixtures of materials) from mechanical treatment of wastes other than those mentioned in 19 12 11	191212	1800		annual		LifeM3P

5 možností v modulu „ODPADY“:

- 1) Založení nové položky (nového odpadu)
- 2) Seznam všech odpadů v platformě
- 3) Seznam odpadů, které jsme já vytvořil
- 4) Seznam odpadů, které jsou spojené s mojí firmou
- 5) Seznam odpadů, o které mám zájem

ZALOŽENÍ NOVÉHO ODPADU

WASTE MODULE

1) NEW WASTE CREATION

The first step to create a new waste is to input all the necessary info in both the tabs General and State. The press CREATE button.

The associated company can only be a company the user is associated with.

WASTE MODULE

2) VIEW ALL WASTES IN PLATFORM

In the list of all wastes the relative company is not showed: to see that you need to request info by clicking the 'i' button.

You can also 'like' the waste: this will add the waste to the list 'Wastes of my interest'

ALL WASTES	WASTES CREATED BY ME	MY COMPANY WASTES	WASTE OF MY INTEREST		
Name	E.W.C.	Qty.	unit	Freq.	Company
other wastes (including mixtures of materials) from mechanical treatment of wastes other than those mentioned in 19 12 11	191212	1800		annual	  
LD slags	1002 01	500000		annual

WASTE MODULE

2) VIEW ALL WASTES IN PLATFORM

When requesting info the platform will ask for confirmation: a request will then be sent to the user managing the company associated with the waste.

Now if you move the mouse over the button a pop-up will appear, signaling that the request was sent

WASTE MODULE

3) VIEW OF WASTES CREATED BY USER

When the waste is Saved it will appear in the 'Wastes created by me' list, where the user can modify or delete it. The user can also see the number of likes received by the waste.

ALL WASTES	WASTES CREATED BY ME	MY COMPANY WASTES	WASTE OF MY INTEREST
Name ↕	Qty ↕	Freq. ↕	likes
Bubble gum	100	occasional	0

WASTE MODULE

3) VIEW OF WASTES CREATED BY USER

When another platform user requests information about one of the wastes associated with his company a new icon appears before the 'likes' column

ALL WASTES	WASTES CREATED BY ME	MY COMPANY WASTES	WASTE OF MY INTEREST
Name ↕	Qty. ↕	Freq. ↕	likes
Bubble gum	100	occasional	    
<p>VedIRichieste</p>			

To manage the request the user must click on the 'view' icon (the pen icon links to the waste management instead)

WASTE MODULE

3) VIEW OF WASTES CREATED BY USER

Clicking the 'view' icon the user can see the TAB with all the info requests for the waste.

Name	Surname	
Giulio	Gatto	+

REQUEST INFO

Clicking the '+' button the user will share his company details with the user that requested info about the waste. It is also possible to see the details of the user who requested info by clicking the green icon with the paper sheet.

WASTE MODULE

3) VIEW OF WASTES CREATED BY USER

The user will receive a confirmation email

Life M3P: Your info request has been accepted

WASTE MODULE

4) VIEW OF WASTES ASSOCIATED TO ENTERPRISE BY USER

The 'My company wastes' TAB shows a list of wastes associated with the user enterprise: it can include other users wastes.

ALL WASTES	WASTES CREATED BY ME	MY COMPANY WASTES	WASTE OF MY INTEREST
Name	Qty	Freq.	
Bubble gum	100	occasional	 

WASTE MODULE

5) VIEW OF WASTES OF INTEREST CREATED BY USER

The 'Waste of my interest' TAB shows a list of wastes that the user requested info about. After the admin accepted the request the user will be able to see the enterprise name.

ALL WASTES	WASTES CREATED BY ME	MY COMPANY WASTES	WASTE OF MY INTEREST
Name ↕	Qty. ↕	Freq. ↕	Company
Bubble gum	100	occasional	 GATTO SOFTWARE

Průmyslová symbióza je proces, který může společně usnadnit dosažení cíle cirkulární ekonomiky, pomoci životnímu prostředí a dosáhnout přínosu pro společnost.

Platforma M3P je užitečným nástrojem pro tuto aktivitu.
