

DestiMED will bring together
13 protected areas to
collectively DEVELOP, MANAGE
AND PROMOTE ecotourism in
the Mediterranean Basin

2,5M €

Project Budget

2,125M €

ERDF / IPA

33
MONTHS

Project Duration

A coordinated approach will transform ecotourism
into a concrete alternative for local development
by enabling Protected Areas to:

- Generate employment and revenue for local communities
- Reduce the environmental impact of tourism
- Inspire transformative nature experiences and cultural exchange

Project co-financed by the European
Regional Development Fund
