

Forest Bioenergy in the Protected Mediterranean Areas

Report on the financial conference, Zadar, June 19, 2019

<i>Project Acronym:</i>	ForBioEnergy
<i>Project full title:</i>	Forest Bioenergy in the Protected Mediterranean Areas
<i>Grant agreement number:</i>	1MED15_2.2_M2_182
<i>Leading partner:</i>	Sicily Region - Councillorship for Agriculture, Rural Development and Mediterranean Fishing - Regional Department for the Rural and Territorial Development
<i>Workpackage 2</i>	Communication
<i>Activity A.2.3</i>	Media communication and Events
<i>Deliverable 2.3.2</i>	ForBioEnergy Final Conferences
<i>Involved partner</i>	PP7 Zadar County
<i>Responsible partner</i>	PP8 Nature Park Velebit
<i>Due date of deliverable:</i>	06/2019
<i>Location of the event</i>	Zadar (Croatia)
<i>Date of the event</i>	June 19, 2019
<i>Work model</i>	Conference
<i>Distribution:</i>	All partners
<i>Document ID:</i>	ForBioEnergy- WP2_D.2.3.2_Final conference report
<i>Version:</i>	Definitive

BRIEF EVENT DESCRIPTION

The Final ForBioEnergy conference was held in the Kneževa palača in Zadar (Croatia)) on 19th June 2019. In the event ForBioEnergy objectives and results were presents to sectoral experts, public officials and general public. The event was organized by Nature Park Velebit/PP8 with the support of Zadar County/PP7.

EXECUTIVE SUMMARY

During the conference all relevant PJ information were disseminated, emphasis was give to the exploitation of forest resources and the development of forest-wood-energy supply in local community.

1.1 Location

“Kneževa palača”, Poljana Šime Budinića 3, 23000 Zadar (Croatia).

1.2 Who attended

The participation was directed to technical and administrative officers of national, regional and local bodies, local authorities, managers and technicians of the forestry sector, researchers and general public.

BRIEF OUTLINE OF KEY ISSUES AND CHALLENGES ADDRESSED IN THE EVENT

Key topics of this conference were:

The issues and challenges addressed in the event were:

- Presenting the ForBioEnergy objective and results;
- Presenting the ForBioEnergy testing activities results for Zadar County;
- Presenting the ForBioEnergy testing activities results for Lika-Senj County;
- Opportunities that can derive from the sustainable management of forest resources;
- Drawing up of the forest management plans/importance of local and regional actors.

1.3 Purpose and scope

The purpose of the event was to share and offer key actors gathered solutions to overcome administrative and technical barriers that impede forest biomass production. The purpose of the meeting was to promote Action plan that is good base for new regulatory framework in the process of permits assembly in regards forest biomass use in protected area. On the event it was emphasized the importance of using different European resources and investives.

1.4 Conclusions

Dissemination of information, objectives and PJ results presented a great opportunity for development of synergies among key local and regional stakeholders in order to understand the importance of renewable energy consumption in or case that is biomass. This event took every opportunity to promote results project has achieved as well it has served to inform and encourage general public about the importance of using renewable energy sources instead of fossil fuels.

EVENT MATERIAL

The following material was used for the promotion of the project:

- ForBioEnergy roll up
- ForBioEnergy 2 brochures
- Other materials: USB stick with all deliverables

Agenda

Project co-financed by the European
Regional Development Fund

Poštovani,

Zadarska županija i Park prirode Velebit pozivaju Vas na završnu konferenciju projekta **Forest Bioenergy in the Protected Mediterranean Areas - ForBioEnergy**

koja će se održati

**19. lipnja 2019. godine, od 11.00 do 13.00 sati, u prostorijama
Kneževe palače (multimedijalna dvorana)
Poljana Šime Budinića 3, 23 000 Zadar**

Projekt **ForBioEnergy** financira se u sklopu programa MED teritorijalne suradnje (*Interreg V-B Mediterranean (MED) Cooperation Programme 2014-2020*). Nositelj projekta je regija Sicilija, dok su ostali partneri: iz Italije Enviland i općina Petralia Sottana, iz Španjolske AMUFOR i Gospodarska komora Valencije, iz Slovenije Slovenski šumarski institut i Regionalna razvojna agencija Zeleni krš, te iz Hrvatske Zadarska županija i Park prirode Velebit, uz pridružene partnere Naturu Jaderu i Ministarstvo poljoprivrede.

Provedba projekta započela je 1. studenog 2016. godine i trajat će do 30. lipnja 2019. godine. Opći cilj ovog projekta je poticanje proizvodnje bioenergije u zaštićenim područjima, nudeći prekogranična rješenja za prevladavanje prepreka koje ometaju razvoj sektora. U tom pogledu, projekt **ForBioEnergy** je analizirao glavne probleme koji karakteriziraju trenutno uključene mediteranske regije kako bi se pronašla zajednička rješenja za povećanje upotrebe energije iz biomase u transnacionalnom kontekstu.

Na svečanosti je predviđeno predstavljanje projektnih rezultata dobivenih tijekom provedbe projekta uz kratke prezentacije provedenih aktivnosti testiranja za pilot područja koja se nalaze u Zadarskoj županiji (PP Velebit, PP Vransko Jezero i PP Telašćica) i u Ličko-senjskoj županiji (PP Velebit). Nakon održanih prezentacija uslijedit će domjenak za uzvanike.

Molimo Vas da svojim sudjelovanjem uveličate našu konferenciju. Svoj dolazak potvrdite najkasnije do **17. lipnja 2019. godine** na e-mail ana.maver@zadarska-zupanija.hr ili na telefonski broj 023/350-418.

S poštovanjem,

Pročelnik

Daniel Segarić, dipl.ing.
