

## Investments in energy efficiency are complex..

**EMILIA- ROMAGNA REGION & THE SUPPORT TO REGIONAL AUTHORITIES:  
SKILLS, REPS, TRAININGS, EVENTS, IFIS.....**

**RESULTS.....**

**Guidelines** on financial instruments to support the implementation of the Energy Plans

**FIRECE Action Plan** to strengthen the contribute of industry to the low carbon energy transition

**Pilot actions, Tools Methodologies & Training**

The **Financial Instrument** in Emilia – Romagna Region

**MoU and Partnership agreement**

**CHALLENGES**

**Skills update through «continuous training»**

**Mobilise MORE private investors**

**Aggregate demand s/needs of Industry**

**Bigger projects**

**Combine instruments (prevent competition & conflicts)**

**«Push» & attract bigger investments**

**Relevant regional impact (Environmental sustainability)**
