Pilot project Rihemberk castle

Nataša Kolenc
RESTAURA project manager
Mestna občina Nova Gorica Municipality of Nova Gorica

RIHEMBERK CASTLE GENERAL INFO

- 
- Cultural monument of state importance, EŠD 40 + part of Nature 2000 protected area(bats)
 - 2013 Contract MONG-Ministry of Culture (former owner)
 - 2016 Abandoned castle, semi restored, closed to public

RIHEMBERK ON THE CROSSROAD

Absence of a clear vision of the owner

+

lack of sufficient public finances

Ways out:

Selling?

Further deterioration and abandon?

RESTAURA project - checking the PPP possibilities + searching for other ways

- 1. Collecting and checking existing ideas and documentation** - founding basis for future decisions
(RESTAURA Current status report)
- 2. Checking first proposals by local stakeholders**
meeting the owners with inhabitants, local government, institutions, local economy, others interested
(RESTAURA Local Stakeholders Group Workshops)
- 3. Integrated built heritage revitalization plan - RESTAURA IBHRP**
checking new ideas and plans with existing development strategies and wider plans, compatibility

Understanding the situation Forming collaboration and trust Supporting the idea of opening the castle to the public NOW

RESTAURA „COLLATERAL BENEFIT“

Opening to public
June 2017

Work with visitors

Rihemberk castle

=

Widely recognised center of sustainable tourism of the area

+

„Center for creative practices“,
including different fields

VISION REALISATION_STEP BY STEP

Functional units definition

10 Conservation plan

7 Technical documentation
with cost estimations

1 Investment documentation
(legal and financial analysis)

IMPORTANCE OF ICT PROMOTION TOOLS

WEB materials
Printed materials

Videos with augmented reality

00:00:11

00:10:36

BEYOND RESTAURA

Continued search of investors

Continued search for additional finances
from different sources (EU tenders and
similar)

Zavod za turizem Nova Gorica in Vipavska
dolina

Better prepared for the future actions

THANK YOU FOR ATTENTION!
