REGIONAL  
DEVELOPMENT  
FUND

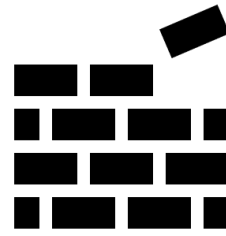

LIETUVOS  
RAUDONASIS KRYŽIUS

Experience

Voluntary Sector meetings  
Webinars

## Cooperation between relevant actors

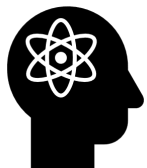

- Established presence in national Oil Spill disaster preparedness.
- Improved presence in overall national preparedness and response to disasters.
- Established and improve communication with RC peers.
- Opportunities to learn from good practices in voluntary sector.

**LIETUVOS  
RAUDONASIS KRYŽIUS**

## Knowledge base on Oil Spill disasters

**LIETUVOS  
RAUDONASIS KRYŽIUS**

## Over 40 volunteers and staff of Lithuanian Red Cross trained on:

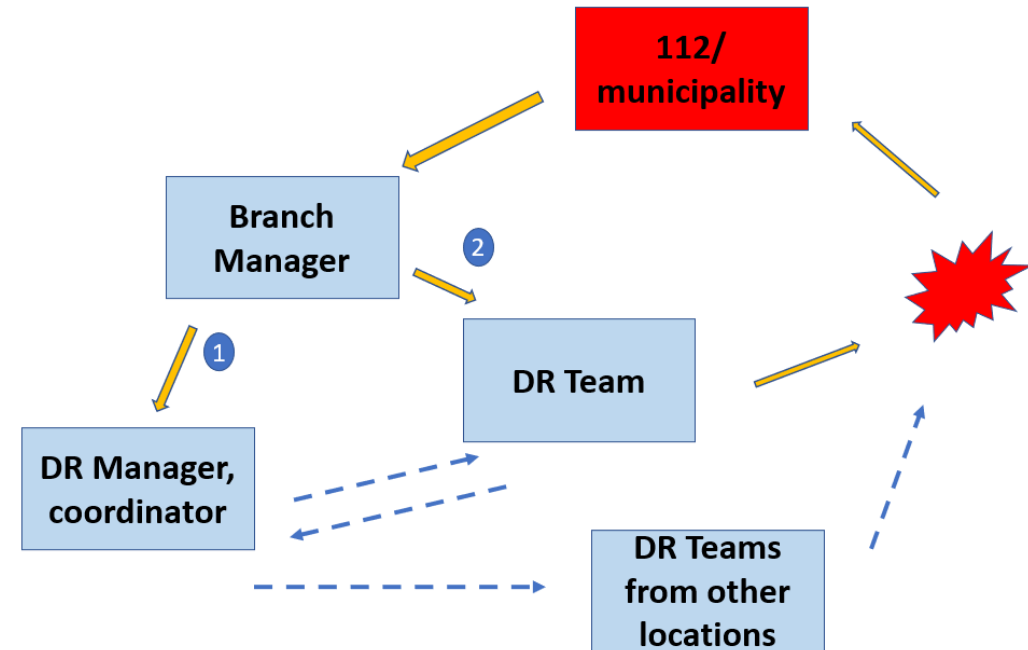

- The nature and features of Oil Spill disasters.
- Oil Spills impact on environment and livelihoods.
- Extended scope of help Lithuanian Red Cross provides.
- The complexities of response.
- NGOs role in Oil Spill disaster response.
- Spontaneous volunteer role in disaster response.

# Overall Disaster Preparedness

- Disaster Response Team in Klaipėda, August 2020
- Response mechanisms, National Disaster Response Plan and concept for NGO Disaster Response Network
- Partnerships with Fire and Rescue Departments and municipalities

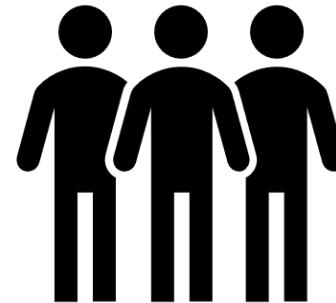

# Spontaneous volunteers

- Created training programme on spontaneous volunteer management.
- Volunteer training on spontaneous volunteer management.
