POPCORN

**Preventing Oil and Plastics
Contamination of Ocean
Regions of the North**

POPCORN – Preventing Oil and Plastic Contamination of Ocean Regions of the North

- Clustering project of the Northern Periphery and Arctic Programme (NPA)
- Implementation period 1.7.2021–30.6.2022
- 4 already implemented or ending projects involved
- Common challenges – similar solutions?
- No need to “invent the wheel” again, sharing results with other organisations

POPCORN – webinar and seminar series for experts working with oil spills/plastic pollution

- Creating a tool box from outputs of the participating projects
- Organising seminar series, which address oil spill and plastic pollution issues
 - ⇒ Sharing the outcomes, recommendations, etc. with new audiences and potential end users
- Targeting also general public, raising awareness about the environmental state of the seas and the threats to it
- OIL SPILL will continue to live on in POPCORN...
