- Release

# Other tasks needed

# Other tasks needed

# Other tasks needed

- Documentation, including updating useful information daily
- Driving
- Shopping
- Health and safety
- Volunteers coordination
- Waste management
- Food and housing for facility workers

# Conclusion

- Huge amount of work needs to be done
- Not all the work has something to do with animals
- Training needed

# Don't forget to have fun in between

## QUESTIONS?

KESKKONNAMINISTEERIUM

# Thank you!
