„BIRDS OF THE WORLD“

Programme for a three-day
travel package with a youth
tourist route near Vetren-
Srebarna - Mostistea-Galatui

www.interregobg.eu

Topic

The travel package with a route „Birds of the World“ is oriented towards youth tourism with an emphasis on local landmarks, natural heritage, historical places, outside activities and forms of cultural heritage.

Duration

Three days of activities, two overnight stays

Seasonality

The package can be used during the period May - October

Geography, municipalities, region

Vetren-Srebarna (district Silistra) -
Mostistea-Galatui (region Calarasi)

Target group

The package is aimed at Bulgarian, Romanian and foreign guests - youths - in group or individually, with an interest in cultural heritage

Terms of conduction

Suitable for a group of youths, as well as for individual tourists. No special equipment or skills are required of the participants. It would be nice if they have comfortable shoes. Attractions along the Danube River, visits to museums and discussions on historical topics are subject to prior arrangement. Given the seasonal nature of the events from the cultural calendar, the package is limited to May - October.

Every river fish becomes delicious, as long as you know exactly how to cook it. The fish doesn’t necessarily have to be expensive. The small fish is also delicious when cooked properly.

Vasil Nikolov,
Vetren, fisherman

I was born in the boat. The water means everything to me. I go fishing because of the pleasure, not for the catch. It is pure health.
