„NEW EUROPE“

Programme for a three-day  
travel package with a youth  
tourist route near Vidin -  
Calafat

[www.interregobg.eu](http://www.interregobg.eu)

**Topic**

Route for youth tourism with an emphasis on local landmarks, outdoor activities and forms of cultural heritage

**Duration**

Three days of activities, two overnight stays

**Seasonality**

The package can be used during the period April - November

**Geography, municipalities, region**

Vidin (Kutovo, Antimovo) - Calafat

**Target group**

The package is aimed at Bulgarian, Romanian and foreign guests - youths with an interest towards cultural heritage

**Terms of conduction**

Suitable for a group of youths, as well as for individual tourists. No special equipment or skills are required of the participants. It would be nice if you have comfortable shoes. Attractions along the Danube River, visits to museums and discussions on historical topics are subject to prior arrangement. *European sturgeons are prehistoric fish, which have survived to this day. Worthy fish for fishermen, worthy for catching as trophies. Such a catch is unforgettable - even if you catch just one. It's a good thing that they banned sturgeon fishing in order for them to survive for our children and those after us ...*
