## TRANSPOGOOD at the Venice Lido for the Venice International Film Festival

The cultural and communication components of European programs in the Interreg Italy-Croatia cooperation. This was the theme of the meeting, mainly aimed at the media, organized by the Secretariat of the Interreg Italy-Croatia 2014-2020 program on Friday 6 September, from 10.00 to 11.30, at the permanent space of the Veneto Region at the Hotel Excelsior Lido in Venice.

The 2014-2020 Interreg Program has blue innovation, safety and resilience, the environment and cultural heritage, maritime transport among its thematic objectives and wanted to make known through short stories and testimonies the functioning of EU-funded projects and present some projects funded by the Program. Among the various storytellers, was Maurizio Cociancich who shared the development of the project platform.
